BAND-IT®

Hose Market Applications

GAIN quality, performance and reliability with **ULTRA-LOK®** the ultimate clamping system.

Material Transfer – Mining

Moving large volumes of water or attaching hoses to slurry trucks, BAND-IT® products get the job done!

Hose Attachment – Transportation

BAND-IT® hose clamps can be used on a variety of industrial hoses in transportation environments including: fuel, liquid & chemical transport, vacuum truck, marine, waste water and rail & light rail hoses.

Water Removal

Flooding? Large volumes of water need to be moved fast? Bring in BAND-IT® hose clamping products for suction and discharge hose to use on high volume water transfer applications. BAND-IT® products make hose assembly quick and easy.

Fluid Transfer – Food processing

Food and beverage products, wet or dry, need to be moved to various stations in the facility. Use BAND-IT® stainless steel clamps on industrial hoses for superior performance every time.

Hose Identification

BAND-IT® identification products can be used anywhere permanent ID or temporary, non-corrosive identification is needed.

Products and tools

ULTRA-LOK®

ULTRA-LOK® The Ultimate Band Clamping System!

BEST

- Faster installation provides lowest installed costs
- 201¼ hard stainless steel
- Superior vibration resistance. Locks under full tension
- Smooth ID design reduces leak path
- Double wrapped for additional strength
- Patented lock design from 1½" to 9" available. Longer length open end clamps also available

Ultra-Lok®

UL9010

UL4000B

Junior® Smooth ID Clamps

BETTER

- Quick & easy installation
- 3 material choices
- Vibration resistant lip wrap lock
- Smooth ID design reduces leak path
- Double wrapped for additional strength
- Various widths available

Junior® Smooth ID

S750

Centre Punch

GOOD

- Quick & easy installation
- 2 material choices
- Locks using conical punch
- Manufactured with stainless steel buckle for greater locking strength
- Double wrapped for additional strength
- Various widths available

Centre Punch

Junior® Tool

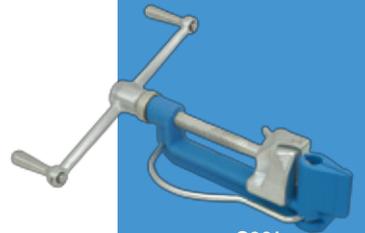

Centre Punch Tool

Band and Buckle

GOOD

- High strength fastening & clamping
- Wide variety of materials
- Available in various widths & thicknesses
- Can be formed to virtually any diameter & shape

C001

Identification solutions

- Custom Embossed tags
- ID Tags
- Easy Read
- Color-It

ID400

ID Tag Imprinter Tool
