

# BLOW GUNS

## Typhoon<sup>®</sup> Blow Gun

**The Ultimate Blow Gun!**  
**High Flow! Maximum Power!**

The **Typhoon** is Coilhose's most powerful standard blow gun, delivering up to 34 CFM and over three pounds of thrust at 125 PSI. The **Typhoon** is ideal for heavy-duty clean-up and blow-off, and its light weight and sleek design make this gun a favorite.

## CEG-1<sup>®</sup> COILHOSE ERGONOMIC GUN Blow Gun

**More Thrust - Greater efficiency - Increased Comfort**

The **CEG-1** is ergonomically designed to fit the natural contour of the user's hand, maximizing comfort even during long-term use. This gives the user a wider range of motion to direct the additional **CEG-1** working capacity right where it's needed, resulting in increased blow-off efficiency.

## COILHOSE CANNON<sup>®</sup>

**The Cannon Extreme High Volume Air Blow Gun** uses the compressed air from your tow-behind compressor to clear heavy, stubborn debris.

Cannon with Safety Nozzle  
Air consumption = 135 CFM at 100 PSI

Cannon with Multi-Jet Nozzle  
Air consumption = 120 CFM at 100 PSI

- Delivers up to 34 CFM at 125 PSI
- Lightweight and ergonomic
- Variable flow trigger for control
- Maximum flow for easy clean-up and blow off

*Wide Variety of Tips  
& Extensions Available*

- Ergonomically designed for maximum user comfort
