

BAND-IT[®]

WORM GEAR

BAND-IT's 12.7mm wide Stainless Steel Worm Gear Clamps

offer superior corrosion resistance across a wide range of applications and industries. These reusable clamps have a smooth inside diameter that provide 360 degrees of contact and require no special tools for installation. Only a flat head screwdriver or a 5/16" hex nut driver is needed.

BENEFITS:

- 304 stainless steel band, housing & screw
- Smooth inside diameter
- No special tools required
- 22 standard sizes available
